¹ As set forth in the Equity Committee's application to retain Fried Frank, in the ordinary course, Fried Frank adjusts its billing rates. In addition, Fried Frank's billing rates are normally adjusted on September 1 of every year to reflect the lawyer's "graduation" to the next seniority class. Thus, the hourly billing rate ranges represent the partner's or associate's hourly billing rate from May 8, 2006 to January 25, 2008. If there is no hourly billing rate range for a lawyer, the hourly billing rate represents that attorney's hourly billing rate in effect at the time such associate or partner performed services for the Official Committee of Equity Security Holders.

¹ As set forth in the Equity Committee's application to retain Fried Frank, in the ordinary course, Fried Frank adjusts its billing rates. In addition, Fried Frank's billing rates are normally adjusted on September 1 of every year to reflect the lawyer's "graduation" to the next seniority class. Thus, the hourly billing rate ranges represent the partner's or associate's hourly billing rate from May 8, 2006 to January 25, 2008. If there is no hourly billing rate range for a lawyer, the hourly billing rate represents that attorney's hourly billing rate in effect at the time such associate or partner performed services for the Official Committee of Equity Security Holders.

² This entry reflects charges incurred by professionals and paraprofessionals with less than 15 hours billed over the course of Fried Frank's entire engagement.

* These persons are no longer affiliated with Fried Frank.
